COMMUNITY STARTS WITH ME!

Developing a generous heart is a core value we want to instill in all our students. Brauchle Elementary has always had great community partners who have donated their time and money to help educate our students. We now have a great opportunity to give back to the community with a monthly service project.

SEPTEMBER'S COMMUNITY PROJECT DONATIONS:

- Small, empty containers (pill containers, travel size shampoo containers, etc.)
- Unused hotel samples of shampoo, conditioner, soap, lotions, etc.
- Packages of wrapped peanut butter or cheese crackers

Bring your donations to the "Community Starts with Me" donation box located to the left of the cafeteria. This month's donations will go to AGAPE, which directly works with the homeless population of San Antonio.
